SUBJECT: Church Membership and New Name Change for Sunshine

Recently, the Sunshine United Methodist Church, on the corner of Route 7 and Tygart Bend Road in South Shore, Kentucky, has made changes. After much prayer, many meetings, searching God's Word, and informative discussions, a vote was taken to leave the United Methodist Church Conference and become an independent church. Those in attendance voted for the church to now be known as the Sunshine Community Church. The Holy, infallible, and inerrant word of God will be the guide.

Everyone who once had membership in the Sunshine United Methodist Church will no longer have membership due to this change, because as of June 4, 2023, that church no longer exists. A service will be planned where everyone who wishes may have their membership placed in the Sunshine Community Church. For those who are unable to attend that service and wish to be added to the new membership roll, a form is included. Please complete and return the form:

By US Postal Service at:

Sunshine Community Church  
PO Box 235  
South Shore, KY 41175

or online at: [contact@sunshinecommunitychurch.org](mailto:contact@sunshinecommunitychurch.org)

The church secretary can add your name into the new membership roll once we receive your form.

Everyone who considered Sunshine their home church is encouraged to come again; you are needed. There is much work to do as many decisions are made. Please search your heart for God's will for you.

Blessings,

Sunshine Community Church Membership Team
